St. Patrick's Catholic Primary School

RHE Parent Consultation Survey Questions

Name of parent(s)/carer	
Name of child(ren)	

Select an answer for each of the following questions. If you have any further comments to add, use the comment box beneath each question.

After reading the Information Pack and accessing the Parent Consultation Tool about the content of 'Life to the Full':
I understand and have an overview of the content of what my child will be taught and when.
Strongly agree Agree Undecided Disagree Strongly disagree
I am comfortable with the Catholic/ Christian ethos of the programme.
Strongly agree Agree Undecided Disagree Strongly disagree
I understand and accept that my role is as the 'first educator' of my child on matters related to teaching human sexuality.
Strongly agree Agree Undecided Disagree Strongly disagree
I would value further support from school about how to talk to my child about sensitive issues.
Strongly agree Agree Undecided Disagree Strongly disagree

The option to teach some elements of the programme is left to the discretion of schools in consultation with parents. These areas are called 'Key Decisions' and cover the discussion of genitalia (KS1), puberty (LKS2) and sexual intimacy (UKS2).
Teachers and governors have met and seek parents' feedback on the proposals below:

I agree with the school's proposal to continue to use the words 'privates' with the children from the Early Years into Key stage 1 but make the material available to parents if they wish to use biological names with their Year 1 and 2 children. Biological names will be used in Key Stage 2.

Strongly agree Agree Undecided Disagree Strongly disagree

I agree with the school's proposal to teach puberty from Year 5 and into Year 6 (supported by the school nurse) but make specific members of staff available to any parent of a child who needs access to this information earlier.

Strongly agree Agree Undecided Disagree Strongly disagree

I agree with the school's proposal to continue to teach puberty and human lifecycles in Science <u>only</u> and provide this additional sex education content for parents to use at their own discretion.

Strongly agree Agree Undecided Disagree Strongly disagree

I agree with the school's proposal to teach internet safety and use the word 'inappropriate' to describe content but NOT to use the term 'pornography'.

Strongly agree Agree Undecided Disagree Strongly disagree
