# St. Patrick's Science Overview

| | Autumn 1 | Autumn 2 | Spring 1 | Spring 2 | Summer 1 | Summer 2 |
|---|---|---|---|---|---|---|
| **Year 1 and Year 2 2026/27** | *Animals including humans:* Different Animals | *Materials:* Everyday Materials<br>*Living things and their habitats:* Seasonal changes<br>Forest School fieldtrips – ongoing throughout year<br>(no curriculum booklet) | *Plants:* In the Garden<br>*Living things and their habitats:* Seasonal changes continued<br>Forest School fieldtrips – ongoing throughout year<br>(no curriculum booklet) | | *Plants:* In the Garden<br>*Living things and their habitats:* Seasonal changes continued<br>Forest School fieldtrips – ongoing throughout year<br>(no curriculum booklet) | |
| **Year 1 and Year 2 2027/28** | *Animals including humans:* Growth & Survival | *Materials:* Use of Everyday Materials | *Living things and their habitats:* Habitats | | *Plants:* Growing Plants | |
| **Year 3 and Year 4 2026/27** | *Materials:* Rocks, Fossils & Soil | *Light & Sound:* Light & Shadow | *Forces:* Forces & Magnets | *Animals including humans:* Healthy Eating and Healthy Bodies | *Plants:* Investigating Plants | |
| **Year 3 and Year 4 2027/28** | *Light & Sound:* Sound & Vibrations | *Materials:* Solids, Liquids & Gases | *Animals including humans:* Teeth & Digestion | *Electricity:* Circuits & Components | *Living things and their habitats:* Classification & Interdependence | |
| **Year 5 and Year 6 2026/27** | *Materials:* Changes of Materials | *Forces:* Forces | *Forces:* Earth and Space | *Living things and their habitats:* Life Cycles | | *Animals including humans:* Human Life Cycles<br>Taught alongside RHE<br>(no curriculum booklet) |
| **Year 5 and Year 6 2027/28** | *Light & Sound:* Light | *Living things and their habitats:* Evolution and Inheritance | *Electricity:* Electricity | *Animals including humans:* Humans & Health | *Living things and their habitats:* Classification | |
